

OUR INDEPENDENCE IS YOUR PEACE OF MIND

We are Glenmede — we're strong, financially sound, and proudly independent. And we intend to stay that way.

Being privately owned places us in a position of strength. Unlike publicly held companies, we are not driven to chase short-term profits. Instead, independence gives us a secure, long-term outlook. Our achievement is measured solely by how we manage wealth, from one generation to the next.

Founded as a trust company more than 50 years ago, we've guided individuals, families and institutional clients with time-tested advice and sophisticated investment management. Today, we have more than \$18 billion in assets under management for clients across the country and abroad.

To work with a partner dedicated to inspiring trust — come to Glenmede.
