The fund's investment objectives, risks, charges and expenses must be considered carefully before investing. The Glenmede Funds' prospectus contains this and other important information about the investment company, and it may be obtained by calling 1.800.442.8299, or visiting [www.glenmedeim.com](http://www.glenmedeim.com). Please read the prospectus carefully before you invest or send money. Mutual fund investing involves risks; principal loss is possible. The Fund may invest in foreign securities which involve greater volatility and political, economic and currency risks and differences in accounting methods. Diversification does not assure a profit or protect against loss in a declining market. Performance represents Large Cap Growth average annual rate of total return for The Glenmede Fund, Inc. Large Cap Growth Portfolio. All returns are calculated in U.S. dollars. **Alpha:** measures risk-adjusted performance against the relative benchmark. **Beta:** systematic risk of a portfolio; represents sensitivity to the benchmark. **Excess Return:** amount that returns exceed relative benchmark return. **Information Ratio:** ratio of expected return to risk, as measured by standard deviation. **Price to Book (P/B):** ratio of stock price to per share shareholders' equity. **Price to Earnings (P/E):** ratio of stock price to earnings. **R<sup>2</sup>:** measures how much performance reflects the returns from the relative market. **Return on Equity (ROE):** net income divided by equity. **Standard Deviation:** measures dispersion of a set of data from its mean. **3-Year EPS Growth:** historical earnings per share growth over the last 3 years. **Tracking error:** measures the active risk of the portfolio and the annualized standard deviation of the excess returns between the portfolio and its benchmark. **Weighted Average Market Cap:** total value of all outstanding shares weighted to reflect the portfolio's positions. The Russell 1000 Growth Index is an unmanaged, market-capitalization-weighted total return index comprised of securities in the Russell 1000 Index with greater than average growth orientation. This unmanaged index is a total return index with dividends reinvested. **One cannot invest directly in an index.** Total returns comprise price appreciation/depreciation and income as a percentage of the original investment. Returns less than one year are cumulative. The information provided above is as of 06/30/10 and is subject to change. The Fund is distributed by Quasar Distributors, LLC.(07/10)
