

*March 2019*

We are pleased to share leadership appointments which mark an important step in providing a higher and more specialized level of service to our clients. The appointments empower our leaders to assume increased responsibility and recognize the vast community contributions made beyond the workplace.

Laura LaRosa now serves as Executive Director of Client Development and Susan Mucciarone as Executive Director of Private Wealth. Laura and Susan are veteran members of Glenmede's Management Committee and bring demonstrated leadership, experience and a commitment to excellence. The Executive Director title is indicative of their leadership at Glenmede and within the community.

Both Laura and Susan are active community leaders. Laura is a member of the Board of the Committee of Seventy, the Barnes Foundation's Corporate Leadership Board, Friends of Rittenhouse Square, the Williamson College of the Trades, St. Christopher's Hospital for Children and the Friends of the Avenue of the Arts. She is also a member of the Forum of Executive Women. Susan holds Board appointments with Case Western Reserve University, Natural Lands, the Girl Scouts of Eastern Pennsylvania and the Forum of Executive Women. She is the current President of the Trust Management Association.

We also announce that Chip Wilson has relocated to Florida as Head of our Palm Beach office, building out our presence as demonstrated by a new location and growing staff. Chip spent much of his early career living and working in Florida and knows the region well. His transition follows 15 years of service on our Management Committee and most recently as Glenmede's Executive Director of Relationship Management. Under his leadership, we look forward to delivering our services locally to a growing number of our clients.

Part of the community fabric, Chip serves on the Board of the Philadelphia Mural Arts Advocates and is active in leadership giving with the United Way of Southeastern Pennsylvania. He also holds responsibilities with the Palm Beach Community Chest/United Way and Hospice of the Palm Beaches.

We greatly value the confidence you place in Glenmede and look forward to continuing to serve you. As always, please feel free to reach out if you have any questions or comments.
